HAPPENINGS IN THE BASE BALL WORLD

COLTS PROVE EASY MONEY

Veterans Win First Game
by 15 to 8 Score.

DRUMM WELL PLEASED

With the Showing Made by
Men During Contest.

Burns Hit Like a Flea, Farrell
Fast on Bases, all the Pitchers
Show up Extremely Well.

The Colts and the Veterans, of the Line Burners, mixed up in battle yesterday afternoon at Garfield park, and when the fun was over, the score stood 15 to 8 in favor of the Vets.

The game was the first that the players have been in this season, and was played under trying conditions. Only the ginger of the players and the occasional clever plays served to keep up the interest in the contest. A crowd of about two hundred fans watched the game.

Guenette started the game for the Veterans and Neutzing, the Pomeroy recruit, undertook to do things for the Colts. The performances of both men were entirely creditable, considering the cold weather and the fact that neither has had any work since the training season opened. Both were wild and were touched up for numerous hits.

In the sixth inning, Pickett, the Columbus twirler, relieved Neutzing and Wilnot the capricious regular succeeded Guenette. Both "Chuck" and Wilnot let out a good bunch of steam during the remainder of the game. Both appear to be in fair condition, despite lack of work.

Errors were numerous on both teams. The redeeming feature of the practice was the way the Line Burners smashed the ball around the lot. Everyone had his batting eye with him and drives for extra bases are numerous. Mylett, the short stop of the Vets, led in the slugging with a single, a double and a triple.

Another game is being played today. Wilhelm and Lucas are scheduled to do the twirling for the veterans, and Burke and Lewis will be with the Colts.

THE SUMMARY.

Ballinger out on infield hit.
Stolen Bases—Farrell, Shaford, Tate, Burns, Neutzing, Ballinger, 2; Lindman.

Two base hits—Lewis, Smith, Quinn, Flood, Tate, Mylett.

Three base hits—Ballinger, Burns, Mylett.

Innings pitched—Neutzing and Guenett 5; Wilnot and Pickett 4.

Struck out—By Neutzing 4; by Guenett 1; by Pickett 2; by Wilnot 3.

Umpire—Wilhelm. Time 2 hours Attendance 200.

STOLEN BASES.

Every one wanted to argue over the decisions with Umpire Lefty Wilhelm. Lefty was always willing to get in the argument.

Burns, at second, is not much of a fielder but at the bat he is a wonder. He hits the ball on the nose every time up.

Chuck Ballinger played a nice game at short and picked out two hits, one a three bagger.

Tim Flood and Bobby Quinn, of the regulars, are playing in mid-season form.

"Red" Farrell, the right fielder of the Veterans, is the fastest runner on the team. Red gets them when they look impossible. With Farrell, Quinn and Tate in the outfield few of them get away.

Charley Pickett, the Columbus boy showed up in fine form. When it comes to fielding his position Pickett does not have to take a back seat for any of the twirlers.

LOUIE SCHEITLER
Of Youngstown, Second Best
Pitcher in the O. and P. League.

AROUND THE BASES.

Over in Marion, they are going to close the town on the opening day of the season. New Castle will be there to receive the lemon overtures, while the glad mitts will be given the home team. The stores will be closed up tight and factories, mills and industries will allow their men the privilege of turning out on that first day to see the game. Good for Marion.—Sharon Telegraph.

Marion will have a young team this season. Ferd Drumm, let the guards out and expects the new blood to instill pennant possibilities into the veins of Marion fandom.

STARR HITS UMPIRE.

East Liverpool, O., April 24.—It has come. The first O. & P. player has stepped into the limelight of that most undesirable publicity and almost caused a riot by striking an umpire in the face while disputing a decision.

The player is Charlie Starr of the Youngstown team. He struck Umpire Briedland here during a game between Youngstown and the locals. The umpire was a small fellow and he got back at Starr by striking him on the nose with his mask.

Briedland was taken out of the game, but Starr remained. Both clubs played a good game. The score: Youngstown 6, East Liverpool 8.

Willie Delchanty, the youngest member of the great Delchanty baseball family, has affixed his name to a Mansfield contract. He covered short-stop for that team last season and is expected to do even better work this season than he did last.

Mansfield says that they are going to carry 16 men this year; that will be two more than they carried last year.

Yesterday's Lancaster Gazette contained cuts of Charles Lusk and Bob Lindeman of the local O. P. team.

The Akron Beacon-Journal of Wednesday contained fine cuts of Flood, Lindeman and Lusk, under the heading "Three of Ferd Drumm's Marion players."

Accompanying the feature L. J. Ritchie, the sporting writer says: "Flood is captain of the team and for several seasons past has been Drumm's mainstay at third base. He is an accomplished fielder and is known around the circuit as a dangerous man with the stick."

Lindeman played first base for Neweastle for a time last season, and was traded by Manager Billy Smith to East Liverpool where Drumm secured him. He is a big fellow, and ought to hold his own with any first baseman in the league. Lusk is a catcher, and is a new recruit. He has been showing up splendidly in practice.

Ferd Drumm, manager of the Marion team, has so many signed, when they turn out they resemble a small army going for a work out. He says he will do some swinging of the big club before the first of the week. Nearly every manager in the circuit will have his team picked out by the first of the week.—Lancaster Gazette.

FIVE ARE CANNED.

New Castle, Pa., April 24.—Manager Billy Smith Monday released five players whose tryouts did not show up well enough to allow them to remain on the team. Five others will be dropped before the close of the week. The men released were Catcher Williamson of the Southern league, Frank Gam, a shortstop from Ohio who had been heralded as a wonder; Pitchers Moore and Hector, and Outfielder Shanley, who last season played in the Vermont league.

LANKS LOSE ANOTHER.

Lancaster, O., April 24.—The Lancaster baseball management after gathering together a corps of pitchers to cover the loss of Geyer, Upp and Compton, who were drafted last fall, were notified Monday that Pitcher Adams, who signed a Lancaster contract, had also signed a contract with the Dubois Interstate team, where he will have to play. The local management is now trying to purchase his release. He won 15 out of 17 games for Dubois last season. He says he will not report to Dubois.

SHARON USES DIAMOND.

Sharon, Pa., April 24.—Two hundred fans turned out at Independent park yesterday afternoon to watch the Three S. team at practice. The team used the diamond for the first time this season and three hours of fast work was put in. Pitcher Frank Burwell reached this city at 11 o'clock yesterday morning after nearly 24 hours spent on trains. He came from his home at Bunker Hill, Ind., where he has been for a week or so since his sale by the Indianapolis club to Sharon. A new club house has been built at the grounds and extensive improvements are being made. The keenest interest is being shown by all classes of people in the baseball situation here.

MANAGER DRUMM WIELDS THE AX

Three Marion Players Released This Morning

Guenette, Neutzing and Mulcahey
are Found not Ripe for O. & P.
Company.

Manager Drumm commenced today to thin out the ranks of the Line Burners and Guenette, the Canadian pitcher, and Mulcahey, the outfielder, were released. Both men are good ones, but are not yet ripe enough for the local team.

The manager made arrangements today to send Neutzing, the big left hander from Pomeroy, to Clarksville in the West Pennsylvania league. Neutzing is a very promising player and with a season in the smaller league, should develop into a star. He will be returned here during the latter part of the season.

It is with reluctance that Drumm releases any of the men, but the failure of the team to play any practice games during the training season has made it impossible to get these players into proper shape.

Had the team had plenty of good weather this spring, some of the men could have been coached by the manager and developed sufficiently to justify holding them during the season. The league race is to be a hot one from the start and the manager cannot afford to experiment.

On Saturday, the manager will make his final decision on the men who will compose the team during the season. It is probable that he will carry sixteen men during the first month of the season to guard against accidents.

The team practiced this morning, but was forced to lay off again this afternoon. It is hoped that the weather will permit the teams to play tomorrow and Saturday.

"Kid" Berry, one of the umpires of the O. and P. league last season, was a caller today on the local ball team at the Majestic hotel. Berry was one of the short stops of the country until he injured his ankle. He was one of the most popular players that ever perforce din this part of the country.

Y. M. C. A. HAPPENINGS

A company of enthusiasts volleyball players met in the Y. M. C. A. gymnasium last evening and organized a spring volleyball league. The league consists of four teams which will hold a weekly meet and play three 15-point games. The same rules and by-laws that governed the league whose schedule recently closed will prevail in the new league. Following are the teams.

Reds—Clark; Sykes, Fies, Bowers and Leffler.

Blues—Lawson, capt. Oatey, Tilton, Brady and Langer.

Oranges—Smith capt; Emery, M. M. Mickle, Smart and R. Mickle.

Greys—Douthitt capt; Cunningham, Gerau, Armstrong and Young.

The spring team of the Y. M. C. A. night school will open to-night with a meeting of the Mechanical drawing class. All members of the class are required to be present at 7:30 o'clock with instruments and equipments ready for business.

SO VERY EASY.

The local Y. M. C. A. bowling team went to Delaware last night where they christened the new bowling alleys of the Y. M. C. A. of that city by giving the crack bowlers there a thorough drubbing. The local bunch were far from being at its best and no sensational scores were rolled by either team, but nevertheless the Marion team walked from the alleys with 216 pins the better of the classic city knights.

Following are the scores:

BABY'S VOICE

In the joy of the household, for without it no happiness can be complete. How sweet the picture of mother and babe! Angels smile at and commend the thoughts and aspirations of the mother bending over the cradle. The ordeal through which the expectant mother must pass, however, is so full of danger and suffering that she looks forward to the hour when she shall feel the exquisite thrill of motherhood with indescribable dread and fear. Every woman should know that the danger, pain and horror of childbirth can be entirely avoided by the use of *Mother's Friend*, a scientific liniment for external use only, which toughens and renders pliable all the parts, and assists nature in its sublime work. By its aid thousands of women have passed this great crisis in perfect safety and without pain.

ELLEN TERRY'S NEW ROLE.

Her Strong Portrayal of the Part of a Simple Dutch Fisherman.

During her present starring tour in this country Miss Ellen Terry is presenting as a feature of her repertory an English translation of a play by the Dutch dramatist Heijermans, entitled "The Good Hope." The scene of action is a humble Dutch fishing village, and the Good Hope is the name of a fishing smack. Miss Terry plays the part of Kierltje, a fisherman's widow. The Good Hope is owned by Clemens Bos, who has grown rich by seeping "floating coffins" out to sea and getting insurance money when they are wrecked. Kierltje has lost husband and two sons in one such rotten haul and is now called upon to

ELLEN TERRY AS KIERLTJE.

lose her remaining sons, Geert and Barend, perhaps, for they are wheedled into signing for a voyage on the Good Hope by Clemens Bos. The smack owner breaks up a happy party by threatening the two young peasants with arrest if they do not go aboard the vessel in ten minutes.
